

# 10th Grade

Congratulations to: **Marko Alvarenga**

It has been so enjoyable having Marko in my honors world history class this year! Aside from arriving to class prepared and ready to get to work, Marko always has a smile on his face, an enthusiastic greeting for me. Marko has worked very hard all year to achieve in my class. Thanks to his work ethic, he has earned good grades, become well-versed in world history, and expanded his own horizons.
