

# 12th Grade

## Congratulations to: **Ashley Beckett**

Ashley is an outstanding student who strives consistently to better herself and those around her. She has a sincere dedication to learning and to improving her own understanding. She is always respectful, polite, friendly, and eager to learn. Her thoughtful questions help drive classroom discussion and she regularly helps her peers succeed by tutoring them. Additionally, she responds to adversity with calmness and resolve to improve—and succeeds. After struggling on her first test, Ashley has worked all month to improve and ultimately earned an “A” on her latest test.
