Congratulations to: **Jalen Waller**

It has truly been a pleasure having Jalen in my honors world history class this year. I selected him as my student of the month because Jalen is the kind of student who I would want to go into the community to represent Woodside and all of the wonderful things that we are doing here. To elaborate, Jalen is very reliable. He rarely misses class, always comes prepared and has demonstrated that he holds himself responsible for his own education. He has shown his commitment to education by asking questions, coming for extra help when needed and never offering excuses in place of effort and results. Jalen is kind to his peers, respectful of authority and just generally has the type of kind and easy going attitude that makes him enjoyable to be around. I greatly appreciate that Jalen holds himself to such high standards and know that he will go far in life.
