

12th Grade

Congratulations to: **Chloe Sopson**

It is such a pleasure to have Chloe in my honors world history class this year! I so appreciate that every morning she arrives to my classroom with a smile on her face and a positive attitude. This semester Chloe is working hard to strike a balance between her responsibilities as a student and as a cheerleader and could serve as a role model to other students. I look forward to further getting to know this young lady as this year progresses.
