

# 12th Grade

**Congratulations to: Kai'rie Jacobs**

Kai'rie has been an amazing addition to my 7<sup>th</sup> block class. He always finishes his work ahead of the deadline, he is constantly asking questions about the topics we discuss and adds to the discussions that he understands. He always is willing to assist others when they are having difficulty. I love having him in my class and I think he is a great choice for wolverine of the mp. On top of always coming to class and getting his work done, he is working 30-40 hours a week at subway.

**Submitted by: Mrs. Costello**

**Student of the Quarter, 1st MP 2017-18**
