

# 9th Grade

Congratulations to: **Ti'Misha Turner**

Ti'misha is diligent, hard working, intelligent, and focused. She is extremely conscientious about her school work, staying after school and asking questions when she does not understand something, and she is warm and personable to everyone she interacts with in class. She exemplifies the 5 R's and I am delighted to nominate her for this award.

Submitted by: Mr. Hawkins

**Student of the Quarter, 3rd MP 2017-18**
