

10th Grade

Congratulations to: Elizabeth Cambar

Elizabeth is a model student! She is such a pleasure to have in my class. Elizabeth is a student who is always engaged in what is going on in class, she is a very respectful and mature young lady. She always gives her 100% in all the work she does. Elizabeth is a leader among her peers. She is always offering help for tutoring and assisting other students. She is very kind and sweet and loves to help others. I have never had to tell her to start her work or to participate in the class activities. She is one of my top students and the type of student every teacher would love to have in their class. She is my student of the month!
