

10th Grade

Congratulations to: **Tamara Boyett**

It has truly been a pleasure having Tamara in my 1st period honors world history class this year! Over the course of the year I have learned that I can really rely on Tamara. She is not only consistent in her preparedness for class, but also with her positive attitude and good sense of humor. I have tremendously appreciated all that Tamara has contributed to our class discussions, but have been even more impressed by the way that she approaches her peers. On a daily basis Tamara demonstrates the kind of care and compassion that every teacher would like to see in their students.

I have really enjoyed getting to know Tamara through our banter in the mornings before class and I look forward to continuing our relationship as this school year progresses. Tamara is the type of student that really makes teaching a fun and wonderful career .
