

10th Grade

Congratulations to: **Brandon Sagun**

It is such a pleasure to have Brandon in my honors world history class this year. Brandon has a great attitude, is always prepared for class and is a willing participant in all that we do. It is evident that these are traits that he carries with him throughout the day, both in school and out. Brandon exudes what the 5 R's are truly meant to be and I have no doubt that he is an excellent representative in the community of all that we stand for here at Woodside.
