

12th Grade

Congratulations to: **Christian Bryant**

Christian has shown tremendous leadership, positivity, and desire to learn this month. As a member of the Golf team, Christian has many competing interests for his time. He has not only been proactive about getting his own work so he doesn't fall behind, but he has also worked to keep his teammates on track in their classes. Christian's desire to ensure that he excels in his work has led to strong performance both for himself and his teammates.
