

Congratulations Senior Parent Families!!!

Woodside PTSA invites you to attend a planning meeting for After Prom 2018. The goal of this event is to provide a safe place for students after the prom. Our PTSA recognizes the risks teens may face on this memorable night and we are here to make sure they have a fun and safe alternative!

The date of this year's prom is Friday, April 27, 2018. The After Prom usually will start at 10:30 pm and end at 2:00 am. This year it will be held again at Denbigh Community Center, Newport News, VA. Gift cards and prize donations are still needed so that we can make this event exciting, rewarding and gainful to all and have awesome incentives for the students to want to attend. Although WOHS PTSA is coordinating the efforts, we still need your support to finalize planning, decorating and chaperoning the party.

Please come to our planning meeting this Thursday, April 19th and April 26th at 6:30 pm in the Woodside Room to volunteer and help so that your students will have a safe after prom experience. If you have any questions, please contact Melissa Dicks at Jazminj26@verizon.net or Eura White at whitemg63@gmail.com .

Thank you!

Eura White,

WOODSIDE PTSA PRESIDENT
