

Dear Woodside Families,

We would like to take this opportunity to inform you that ALL PRO DADS is back again. This program is an effort by Woodside High School to partner with Fathers/Father Figures/Adult Male Role Models in fostering positive relationships to help educate our students.

Former Super Bowl winning coach Tony Dungy has endorsed this program and it has become a nationwide organization to foster and guide fathers across the country.

We will be having our initial kickoff breakfast for the 2017-18 school year on October 20, 2017. All Woodside Fathers/Father Figures/ Adult Male Role Models are asked to join us with your son/daughter or mentee at 8:00am in the Woodside cafeteria for this event. We look forward to seeing you on October 20th as we join together to better serve our students.

Please cut off the form below and have your child return to the main office.

If you have any questions, please contact Mr. Williams, Assistant Principal of Operations, for more information at 757-886-7530.
