The *Good Behavior Policy* makes it possible for students to request that up to 3 infractions, including suspensions, be deleted from their permanent disciplinary record. The process provides a method for restoring students who have demonstrated improved behavior and a commitment to promoting a positive school culture. **(NOTE: Infractions for Assaults, Drugs and Weapons are not eligible.)**

In your own words, describe the infraction(s) that you would like to have removed from your record. Be specific. Include the approximate date that the offense(s) took place and details that will help to identify the event in your permanent record.
