1. **A fee of \$40.00** must be paid to obtain a parking permit.
 2. Priority in receiving a parking permit will be given to seniors or those students who participate in vocational education off-campus during normal school hours.
 3. Second priority will be given to those students who are involved in after-school activities and/or athletics.
 4. **Parking permits are issued to seniors and juniors who meet the above requirements.**

10. All students who are issued a parking permit must attach it on the **left side of the rear window** of the vehicle. Any previously issued permits must be removed from the vehicle.
11. If a student who has been issued a parking permit needs to drive a different vehicle to school, they must contact the Assistant Principal of Operations upon arriving at the school to receive a temporary parking permit.

13. Students are not to remain in their vehicles upon arriving on school property. Immediately upon arrival, both the driver and passenger(s) of the vehicle must leave the vehicle and exit the parking lot. The student parking lot will remain off limits to students during the school day. A pass from school administration will be required to go into the parking lot during school hours.
