

## Woodside Athletic Hall of Fame

### Mission:

Many qualified individuals have played an important role in the history of Woodside High School Athletics - athletes, coaches, administrators and individuals from the community have all played a significant role in the promotion and success of athletics at Woodside. The Woodside Athletic Hall of Fame was formed to recognize and pay tribute to these outstanding individuals.

### Nomination Process:

Nominations may be submitted any time throughout the year. Those nominations received prior to November 1st will be considered for the upcoming selection of candidates each year. Nominations will remain on file and be eligible for selection into the hall of fame for five years. After five years from the date of initial nomination the individual will no longer be considered for selection into the hall of fame. Please do not assume that someone has already been nominated, or that the Selection Committee has already received sufficient information about these individuals. The more history, statistics and facts that can be added to what may already be on file will serve to provide that additional insight that the Selection Committee may need when making their decisions.
