WELCOME WOLVERINE FAMILY! I hope you all had a great summer and ready to delve into a new school year with high hopes and expectations. We are lucky to have an astounding group of Administrators, Teachers and Staff, under the leadership of our Principal. These folks are dedicated to guiding our students through their High School experience.

The PTSA is an important part of the High School experience. Our foremost goal is to enhance our staff and student memberships this year! As well as exposing our students to educational programs and opportunities to enhance their learning; be it academic, cultural, social or health related.

We encourage and invite you to join our efforts to advocate our students. In order to fulfill our mission for a unified parent, teacher and student community, we are striving for 100% PTSA membership. The dues are only $5 per member. We hope that families during the year at Woodside will volunteer in some capacity your time and talent. Your participation might be that of a committee member, volunteer or merely as an attendee. Whatever level of participation you choose; your time and involvement will be appreciated. Working together as a team will ensure success!

Please visit our web page for details on the array of enrichment activities we provide. If you have any ideas or suggestions for other potential PTSA initiatives, please feel to place in our drop box located in the front office or contact a board member. We look forward to working with each of you this year.

Thanks for your support in advance.
